FOR IMMEDIATE RELEASE

Sedgwick County Health Department to Change Health Station Hours

(Sedgwick County, Kansas) – The Sedgwick County Health Department will be reducing clinic hours at the Stanley and Colvin Plaineview Health Stations effective May 5. (The new Health Station hours are listed below.) Hours for the Women and Infant Clinic (W.I.C.) will remain the same. The change in Health Station hours is a result of changing the way health services are delivered in this time of financial adjustments.

"Though we are changing the number of hours we're at these stations, we will be able to serve the same number of clients in the affected communities through a more efficient method of service delivery," said Sedgwick County Commission Chairman Tim Norton.
